

Airfare Assistance Fund

As troops are leaving Iraq, increasing numbers are being deployed to fight the Taliban menace headquartered in Afghanistan. That means that, inevitably, women and men from the greater Akron area will be “put in harm’s way.”

This also means that several military personnel will not be able to afford seeing family immediately before/after their patriotic service.

The AIRFARE ASSISTANCE FUND, administered by New Covenant Community Church, at no cost to the recipients, is available to assist families during this difficult time.

Mission Zone

Zone 7 = Eastminster
